

Clinton City Schools
"Reading Above & Beyond" Summer Reading Program 2017
My Goal is to read 20 books or 4 chapter books with 60 pages or more!

We encourage rereads to build fluency. However, they will not count towards the reading requirements.

L. C. Kerr, Butler Ave., and Sunset Ave. Schools are sponsoring a summer reading program called "Reading Above & Beyond". To participate, rising kindergarteners must have 20 books read to them. Students in grades 1-5 must have read 20 books or 4 chapter books with 60 or more pages. Reading log should be filled in and returned to your school office by August 31st. Each child reaching his/her goal will attend a celebration in early September at their respective school.

Visit the J.C. Holiday library to find a children's room with lots of great books!
